

**To: Vintage Estates Subdivision Homeowners**

**Re: Quality of Subdivision Life**

**The Board has received several calls regarding speeding within our subdivision. The speed limit is 25 miles per hour. Please talk with your kids (who drive) regarding this limit. We have several residents with young children.**

**Street parking is not permitted, at any time, without first getting approval from the Mequon Police Department. Once approval is received, please make sure your guests only park on (1) one side of the street.**

- **As a courtesy to your neighbors, please limit the hours that contractors are working outdoors (including lawn care) to begin no earlier than 8 am (and 9 am on weekends).**
- **Please keep your dog under control (and on a leash) at all times; furthermore, please clean up after your pet.**
- **Please replace your faded, rusty, non-conforming (i.e., green, plastic, etc.) and/or unsightly mailbox with a new BLACK mailbox. They can be purchased at Ace Hardware in Mequon.**
- **Please remove your garbage cans and recycling bins from the street on the same day as the garbage collection. According to the Subdivision Bylaws, all garbage cans and bins must be stored inside the garage.**
- **Please change burned out light bulbs on your outside lamp posts.**

**Thank You,**

**Vintage Estates Homeowners Association Board**
